MOON MAN'S MESSAGE

Howdy Parrot Heads,

Wow, June has been a whirlwind of fun, and we're only halfway through it. Speaking of winds- June brings with it the menacing subject of the "H" word. We try not to say the word out loud around here. Please make sure you plan and prepare for things around your place. If you get in a bind and are looking for help, this Club has some wonderful members that surely would help you out if needed.

That buzz that you're hearing lately, is the talk about our last PHC event - the Cinco De Beacho event held June 6-7. It was chock full of fun with three different types of music, and all that you could dance to. A little Cajun, mixed in with a local singer/songwriter and topping it off with of course- Trop Rock music by The Lost Shaker of Salt Band. The great food and satisfying drinks flowed throughout the day with all of the contests going on. It was fun to see the camaraderie and the competition as everyone enjoyed the day. Friendships were started and strengthened, and I believe all had a good time. We heard from Dr Tim from the Texas Sealife Center. Though his jokes are a little corny, we love what he and Amanda and their army of volunteers do at the Center and we are proud to support them in their work.

Volunteers? Yes, our club is loaded with people who enjoy helping out. This was very evident to me when we began planning this event and people stepped up for everything that needed planned out and prepped. We organized committees that had Chairpersons who built their teams, made plans, ordered supplies and pulled it all together seamlessly. I was so impressed with the way it came together, the only thing that surpassed that was the way members jumped in after the festivities to break down and clean up the Pavilion late Saturday evening. It was awesome to experience. Thank you all so much.

There were so many that helped, I can't name them all, but I would be remiss if I did not at least thank the Chairpersons publicly. Thank you to; Music- Judy Worsham, Swag-Gail Morris, Decorating- Amy Bornemeier, Fri Set-Up-John Stokes, Food- Mark & Cheryl Glover, The quite popular Bloody Mary Bar-Browns, Bonds, Hoopers, Silent Auction-Gail Morris/Millie Stokes, Contests- Millie Stokes, Mike Strickland, Sandy Graves, Kathleen Cullinan, Steve Brown. What a team! Thank you all. Let's see you all at the Happy Hour on the 19th and have some more fun.

FAITH & HOPE DOG RESCUE

Giving Hope to Homeless Dogs of South Texas

Submitted by Amy Bornemeier, PIPHC Director of Membership and Faith & Hope Foster

Meet Maddie, a young street pup who was found in dire condition- very pregnant and very near death. Unbeknownst to anyone, seven of her puppies had died inside her and sepsis would've consumed them all, including her, had she not been rescued. Enter [Faith and Hope Dog Rescue](#).

Lucky for Maddie, she and her remaining three puppies were saved through an emergency c-section on New Year's Day and we became their foster family. While Maddie's puppies have found their fur-ever homes, she continues to wait for her adoption day.

Co-founded by Islander, Karen Cowen in 2016, Faith and Hope has adopted out over 500 animals. But they can only rescue dogs from the streets and kill shelters if they have safe homes to place them in, making fosters the heart of this organization. Once they're placed, Faith and Hope completely vets the pups which includes vaccinations, spay/neuter, microchip, and address any illness/injuries. Vet bills can quickly run up into the thousands of dollars (as was the case with Maddie's emergency c-section.) This is why fundraising like what we do through the PIPHC is so important.

Their biggest expenses are vetting, so monetary contributions are very important, but you can also:

- Foster- There are only 55 fosters for the 67 dogs currently active in the rescue, with more turned away daily due to lack of fosters. Please consider opening your heart and home to be a foster to a deserving pup who is waiting for their fur-ever home. Faith and Hope provides all the food, supplies and vetting. [Become a Foster — Faith & Hope Foundation Inc.](#)
- Volunteer- They're a 100% volunteer-based organization and your time and talents can save lives! From social media, to grant writing and fundraising, there's always a need for help.

[Volunteer — Faith & Hope Foundation Inc.](#)

- Donate supplies- They're a 100% donation-based organization.
 - Purina One Dog and Purina One Puppy Chow and cans (HEB has a 50% off in-app coupon!)
 - Large & XL puppy potty pads
 - Large & XL wire crates and kennels (gently used is also appreciated)
 - Toys safe for puppies
 - Additional items are on their wish lists [Amazon.com](#)

With no overhead costs, 100% of your donation goes directly to the care and well-being of the dogs. By donating, you help [Faith and Hope Dog Rescue](#) give these dogs the chance they deserve to live in a home filled with trust, patience, and love. Faith and Hope Dog Rescue is about just that, faith in people's capacity to care and hope for a better future for stray animals.

DID YOU KNOW?

VOLUNTEER HOURS

Parrot Heads in Paradise (PHiP) is the organization with the purpose of overseeing and promoting the international network of Parrot Head Clubs as a humanitarian group sharing information and social activities for mutual benefit. Within this effort, Clubs report their accomplishments throughout the year about charitable organizations that have been supported through collections, volunteer hours, service projects and monetary donations.

What counts? What doesn't count?

Per the PHiP Club Leaders Manual: Man hours are simply the number of club members participating in an event times the number of hours in the event.

For example: 25 club members march in a community Independence Day parade that lasts four hours—25 members X 4 hours per member = 100-man hours.

- The time spent by club members to build a float for this parade should also be tracked. Attendance at a club hosted event does not count.
- If your club hosts a fundraising party, for example, with raffles, auctions, etc. and 300 people show up for the four-hour soiree, you cannot claim 1200 man hours, even though you raised money for a worthy cause.
- However, the dollars raised during the festivities may certainly be claimed as a charitable donation, as can any man hours spent in planning the function, setting up, tearing down, cleaning up, etc.

Our PIPHC of CC is developing systematic methods to collect and tabulate this info for reporting to PHiP. We have in place on our Website, a self-reporting method. Go to the website to report your hours regularly.

www.padreislandparrotheads.org Purpose Reporting

Examples of things that count:

- Participating in a community event as a club:
 - Parades
 - Alzheimer's walks
 - Cancer walks
 - Assisting with nursing home or group home events or parties
 - Collections of toys, time spent gift wrapping for groups, delivery time
 - Roadside clean-up
- Planning club events:
 - Planning meetings
 - Set up
 - Tear down/Clean up
 - Seeking Sponsorship
 - Time spent seeking sponsors for club events
 - Time spent seeking donations from businesses for club events

Examples of things that do not count:

- Attending club events – going to Happy Hours or attending a club sponsored event
- Individual members volunteering at non-club sanctioned activities
- Monetizing volunteer hours
