

THE PARROT'S PARLEY

The Monthly Newsletter of the
Padre Island Parrot Head Club of Corpus Christi

MOON MAN'S MESSAGE

Together, we made some progress in our community. The Parrot Head Club is becoming known on Padre Island and the surrounding areas and I hope you have had some fun and made a few new friends along the way. We helped several charitable organizations, and had fun doing it – the whole “Party With A Purpose” really kicked in. Take a look at some of the Year-2025 numbers on page 4.

When I took the reins last January, I had three primary goals in mind. Open Communications, Involvement of the members, and Education about Parrot Head programs and offerings. After all, the PHC is much more than just a monthly Happy Hour.

Communications go out to all current Members through the use of Email, FaceBook, the Website and our monthly Newsletter- The Parrot's Parley. But it is also through conversations had during our events. If you know of anyone who is not getting this, please let someone on the Board know.

Involvement - There are lots of opportunities to get involved, and we have some coming up in the new year. A few examples- help with the Happy Hour registration table, help to clean and inventory our storage room, and other tasks as they come up. Upcoming event- Barefoot Mardi Gras Parade – we may/may not have a Parade Float this year. If you have an idea and would like to head it up-perfect. We would also like to have our PHC Base Camp to watch the parade, but need a Chairperson to take the lead. I am sure there will be plenty of help for that. We may also have the opportunity to sell BMG merchandise like we did last year, but selling out of a couple Golf Carts or UTVs. Let us know if you are interested in any of these. Our annual Beach Bash is in June, which we will need lots of help with. Organizational committees will form in early January. Watch for the notices.

Education - Aside from our monthly Happy Hours and Full Moon fun, there are lots of different aspects of the Parrot Heads. Trop Rock artists and radio programs, House Concerts, TRMA, Lone Palm Foundation, PHIP Website, area PHC events all help to bring friends closer together and help others while we are having fun. Parrot Heads is a nationwide organization, and there are benefits to being a current member.

Lone Palm Foundation is the charitable arm of the parent entity - Parrot Heads in Paradise (www.PHiP.com). It is like a Parrot Head Emergency Fund. Every current member in the Parrot Head organization is eligible. The purpose of the Emergency Fund is to aid Parrot Heads with financial assistance during difficulties resulting from a natural disaster. And I don't have to remind you of where you live. It's like a very inexpensive insurance benefit by being a current member. **Be sure to pay your annual \$25/person/year dues this month.** Lone Palm Foundation is one of the many benefits of being a member of the PHC.

Having fun and hoping you are too,

Ted Morris
