THE PARROT'S PARLEY

The Monthly Newsletter of the
Padre Island Parrot Head Club of Corpus Christi

MOON MAN'S MESSAGE

President's Ponderings-

Coming soon to a beach near you, our Club's annual Beach Bash!!!

"Washed Up On A Beach"

This is an annual 2-day party, meant to bring everyone together for some fun. I am sure you've seen the flyer and heard the word, but we are **accepting registrations for the event now**. Please plan to attend and enjoy the music, the fun and the fellowship. We've opened registration up to non-members also, so if you have a friend who is interested, sign 'em up and bring 'em with you. The sooner-the better so that we can be sure to plan accordingly.

The "Washed Up On A Beach" event flyer and Registration form are in this Newsletter, which describes many of the activities going on. Get your name in the hat now. Don't let the \$85 registration cost scare you. This covers 3 meals, Bloody Marys and Mimosas, some fantastic music, with fun and games along the way. All while gathering with some new and some old friends. That kind of deal doesn't come along too often.

A few contests to practice up for- Cornhole Tourney, Message in a Bottle deco, Sandcastle building, Jello Shot Competition, and a Silent Auction on Saturday evening.

The music should be a hit with Stoney Gabel, Dan West and Rebel Railroad, two of which have not played on Padre Island before.

We've chosen to support 2 different charities with this event this year - **CASA** of The Coastal Bend organization and the **Texas Sealife Center**. Who doesn't love kids and our native wildlife and sea life animals. It fits right in with our "Party With A Purpose" attitude.

A reflection on this year as a PI PHC Member makes me smile as I recall the fun times and new friends made. All while helping others. But wait,... There's more! Along with our monthly **Happy Hours**, the County Burn Ban was lifted, so watch for the fun times around our monthly **Full Moon beach gatherings** to start up again. We've got news of a **CC Hooks Baseball Game** outing and the annual **Rum Day Rumble** in August. And a few other fun events outside of our Happy Hours. Keep your ear to the ground and get ready.

MOTM, you've heard of it, but what is it? Meeting Of The Minds is the largest gathering of Parrot Heads each year for 4 or 5 days of music and mayhem. It is like a phantastic phlocking to listen to numerous musicians, hear from various speakers and learn what other Clubs are doing across the country. Held in Gulf Shores, AL, Parrot Heads from across the nation gather for fun and fellowship. Registrations are open, and I know of about 10 that are going from our Club. If you register, let us know so we can rally.

CALLING ALL GENEROUS PARROT HEADS! LET'S FILL THE BOOZE WAGON!

Ahoy, fellow lovers of fun and philanthropy! The much-anticipated Booze Wagon will be making its grand appearance at this year's annual Beach Bash, and we need your help to make it spectacular!

Bring your booze to the pre-Bash Happy Hour on **Thursday, May 21st**, kicking off at 5:00 PM at our fantastic host, **Perrin's On the Water** located at

15137 S Padre Island Dr. The name of the game? Stock that Wagon! We're asking each of you amazing Parrot Heads to bring at least one bottle of your preferred adult libation - be it a smooth bourbon, a crisp vodka, a fine tequila, a classic gin, a smoky scotch, or a delightful red or white wine. Imagine the winning possibilities!

Your incredible generosity in past Booze Wagon auctions has allowed us to raise approximately \$1000 for our chosen Beach Bash charities. A fully loaded Wagon directly translates to more funds raised, so let's rally together with the same big-hearted spirit you always bring to our events.

A huge thank you to each and every one of you for making our club the incredible organization it is. Your dedication and generosity are truly appreciated.

Island Wishes,
Steve Brown, Vice President

PIPHC OF CC 2026 BOARD OF DIRECTORS

The club members have entrusted the steering of the PI PHC to these fine individuals. Each person brings special traits to the Board, with their individual personalities and skills. It is so pleasing to work together and plan fun events for the Club.

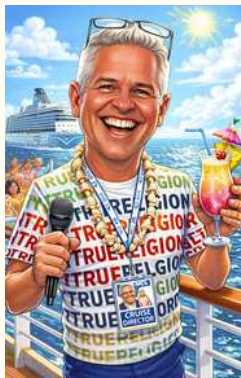

Our President Ted Morris loves this club and all it stands for. Giving it his all, he sometimes slips. But knows that a team of service minded, giving and trusting board members will help him back up when he needs it.

The most insightful Vice President ever is Steve Brown. He looks at the big picture and pulls the most obvious conclusion to things that we might overlook. His experiences serve him well to do good for the Club. He too gets help from his first lady, but would never let on to it.

Ted's biggest fan is the Board Secretary, his first lady in life - Gail Morris. Gail is caring and devoted to make the Club the best it can be. All about the details, she kind of keeps things rolling in the right direction.

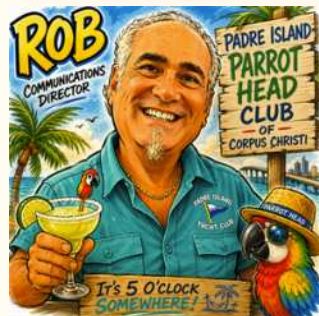

Everybody loves our Membership Director- Michael Hefner. He took this on and has created a sense of camaraderie around the club like no other. It is one of the most record sensitive rolls in the club, but he takes it in stride and continues to look for other ways that he can help.

Our Treasurer - Cheryl Glover fits into her roll like a glove. I think some things just come naturally to some folks, and taking care of the club's books is in very pretty, capable hands with her. Have comfort knowing that.

Lots of praise goes to our Charities & Entertainment Director - Judy 'Island Star' Worsham. Where does she get all that energy? I'll tell you where- she thrives off of keeping people happy. And that she does, by lining up our Charities and our musicians for various Happy Hours and Events. She enjoys it, and it shows. Judy is a great example of the lifestyle that Jimmy laid out for us. Living with a purpose and "Partying With A Purpose".

And how do you know what you know? Because our Communications Director- Rob 'Tag' Tagliaferro keeps everyone informed on Club happenings. Plainly said- he's good at it. Through this, he has made special connections to many of our members.

Join me in being proud of your Club's Board of Directors. They are doing a fine job. Give 'em a hug when you see 'em and get involved wherever you can. We appreciate feedback and ideas, and really like seeing members step up to lead tasks and projects that come along.

HAPPY HOUR

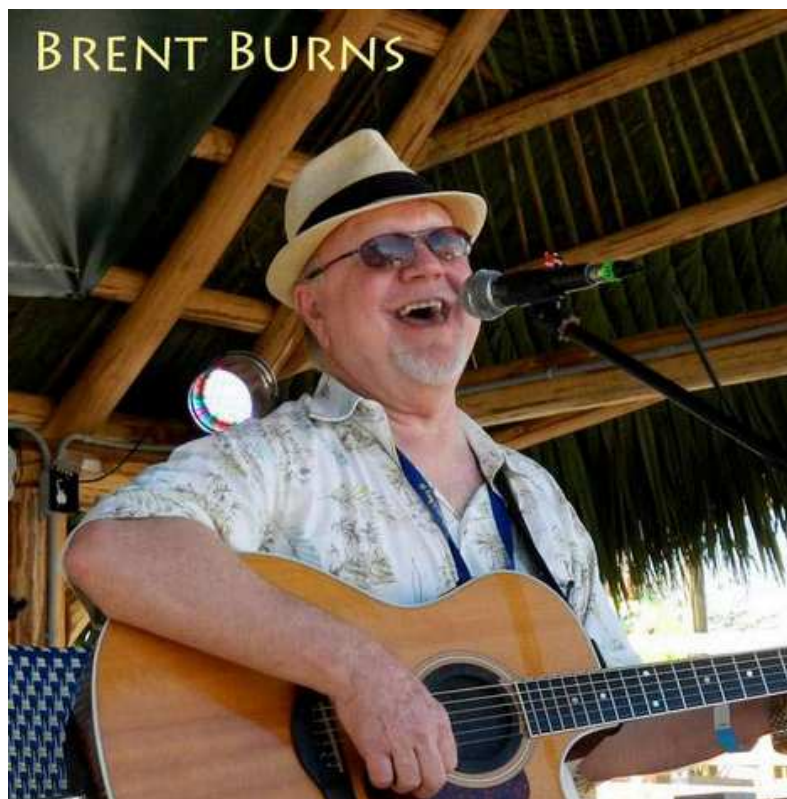

Despite the windy night, 61 members of our Parrot Head Club gathered for a delightful evening at the Anchor Bar & Grill. Claudia, the Director of Dismas—our charity for this month—shared insights about this amazing organization and the many individuals it supports. Her enthusiasm was palpable, especially as this marks the third consecutive year our club has assisted them. A heartfelt thank you to our members for generously donating supplies!

Marti Jay provided our entertainment for the evening. Our wonderful group contributed approximately \$770 in essential supplies and a cash donation of \$210. Thank you all for your kindness and support!
